

AUSTRALIAN DENTAL ASSOCIATION AWARDS FOR EXCELLENCE IN DENTAL JOURNALISM

About the Awards

Awards will be available in respect of Dental Journalism through public print, television or radio published in Australia. They are not open to journalism through any specialist or dental specific publications. There will be a limit of two entries per individual.

Members and employees of the Association are not eligible to enter.

Awards will be available in two categories being electronic media and print media in the sum of \$5000 each. They will be granted each second year-in the odd year - in conjunction with the Association's Congress. Recipients of Awards are required to attend the ADA Congress to receive the Awards.

Awards will be in respect of publications issued in the period of two years preceding 31 December of the even year prior to granting of the Awards. The inaugural award was granted in March 2007 in respect of material published in the 2 year period prior to 31 December 2006. The next award is due to be awarded in March 2009.

The judges' decision will be final.

Awards may be divided where entrants are given equal ratings by the judges. In addition, the judges have the right to not make an award when, in their opinion, the entries are not of a sufficient standard to merit an award.
