

YOUR ADRF NEEDS YOU!

Supporting Members Welcome

The Australian Dental Research Foundation is now able to offer Supporting Membership to interested individuals and businesses. Since becoming available in 2004, this worthy concept has attracted growing attention from the wider dental community - profession and industry. An invitation is hereby extended for others to become Supporting Members and thus to assist in the unique work of the Foundation.

Members will:

- receive the ADRF Annual Report, a fully comprehensive publication;
- be permitted to include the words **Supporting Member of the Australian Dental Research Foundation** on stationery, etc. (subject, of course, to local statutory, professional or business rules, if any);
- have the satisfaction of contributing to research that benefits their own discipline; and
- have their contribution acknowledged in the ADRF Annual Report.

Contributions (see below) will remain current until 30 June 2011.
Annual renewal will be available thereafter.
